NQT Induction Programme

2020/2021

A comprehensive programme of training and support specifically designed to meet the needs of NQTs working in Primary Schools

Dear Headteacher

Thank you for your interest in our specialist induction programme exclusively for NQTs working within Primary Schools. Our unique programme is designed to enable NQTs to fully understand their role in promoting good learning outcomes for their pupils, drawing on a wide range of expert facilitators to lead the sessions, including leading teachers, subject and phase specialists and LA consultants.

For the academic year 2020/2021 the Wandle Teaching School Alliance will continue to work together with Wandsworth LA to jointly deliver the Primary Schools Induction Programme.

We continually update the programme to ensure that schools benefit from the most up to date NQT guidance and support. Please note the information is subject to change.

Our Primary Schools NQT programme consists of:

- Seven days' worth of tailored training devised and delivered by teachers and trainers who have wide experience of the Primary Schools context.
- Three sessions aimed at providing vital support and guidance to the team around the NQT. This thoughtfully created training supports you to enable your NQTs to reach their training goals and to make the most effective contribution to your school improvement.
- Three Twilight sessions at the most challenging points of the academic year to allow NQTs from our four programmes to come together and support each other around common challenges.
- Early identification and tailored interventions for NQTs at risk of not meeting the Teachers' Standards.

Book now

£625 per NQT for full 10 session CPD programme and Statutory Appropriate Body Service.

£475 per NQT for induction CPD programme only.

To discuss the option of NQTs attending individual days please contact courses@chesterton.wandsworth.sch.uk.

There is no additional charge for the SLT and mentor training sessions and individual NQT support if your NQT is signed up to the full induction programme.

Email or call our Teaching School Training Manager to book your place (Tel 020 7622 1619 or email courses@chesterton.wandsworth.sch.uk)

NQT Appropriate Body Service

It is a legal requirement to register all NQTs with an Appropriate Body for formal assessment and quality assurance purposes. This service can be provided by WTSA through the Online NQT Manager website.

“Thank you for supporting me this year - the sessions have been great and always delivered with enthusiasm!”
NQT feedback

Specialist guidance and support for the team around the NQT

Training for NQT mentors and SLT

18th September 2020

9:30am-12: pm

Chesterton Primary School

This half day session will provide guidance and training for NQT coordinators and mentors to effectively undertake the role. It includes:

- Briefing on the latest DfE guidance on meeting responsibilities for induction, monitoring, support and assessment
- Developing an appropriate school-based programme
- How to establish a developmental observation and feedback schedule
- Setting targets and assessing NQTs in line with the Teachers' Standards
- Exploring best practice in supporting and developing NQTs, and what to do if an NQT is at risk of not meeting the Teachers' Standards
- Ways of working effectively with the Appropriate Body
- Assessment report writing and target setting

**“Very insightful.
Brilliant strategies”
NQT feedback**
